Leadership

Caring and collaborative leadership is the number one contributor to sustained business performance.

Krysta Fox is an incredible business leader who has mastered the art of laser-focused commerciality and commitment to results. Her leadership expertise is unrivalled as she transforms corporate life and financial performance by partnering with organizations to build breakthrough strategies, achieve true collaboration, and create a motivating leadership culture. Following an international career with an oil major, plus CFO roles, Krysta led the transformation of four-time Global Free Zone of the Year.

She holds a Master of Business Administration, Master of Professional Accounting, and Bachelor of Economics, and is a Fellow CPA.
