Eric's Expertise

Operations Strategy

Supply Chain

Eric believes that there is always more than one way to do things and that diversity builds strength.

Eric has held several key positions during his 18 years with an oil major (BP Oil) in Australia, Singapore and the UAE. Eric managed all facets of

the business including contracts between BP and its' transport providers as well as negotiating the sale of ship cargoes to traders in the region. Eric was seconded to BP Middle East and was tasked with developing the U.A.E. supply chain and terminal program in order to bring it into line with BP's global aspirations.

Eric then joined Supreme Fuels in 2009 as Director of Global Supply Chain remaining in the UAE to date.
